

St. Petersburg State University

Scientific Organizing Committee:

Reshetnikov Vladimir (SPbU, Russia) – chair
Moiseev Alexei (SAO RAS, Russia) – co-chair
Chen Yanmei (Nanjing University, China)
Fan Junhui (Guangzhou University, China)
Gupta Alok (ARIES, India)
Ilic Dragana (Belgrade Observatory, Serbia)
Ivanchik Alexandre (Ioffe Institute, Russia)
Jorstad Svetlana (Boston University, USA)
Sazonov Sergei (Space Research Institute, Russia)
Sil'chenko Olga (SAI-Moscow University, Russia)

International conference “Active galaxies and other issues of extragalactic astrophysics”

20-24 April 2026

Saint Petersburg, Russia

Main topics:

AGN physics, evolution and feedback
AGN monitoring from radio to X-ray
AGN evolution and feedback
Physics and evolution of galaxies
Astrophysical sources of cosmic rays
and neutrinos
Cosmology
